Attn: Mr. Vivek Kedia

Subject: Letter of Appreciation

Dear Mr. Kedia,

Boskalis Offshore Marine Services B.V would like to put on record its appreciation for the performance and assistance offered by **Chandra Shipping & Trading Services (CSTS)** for ONGC project "Armada Sterling V" – Hiring of FPSO for NELP Block KG-DWN 98/2 Development, Project Cluster – II, Eastern Offshore Asset." wherein the FPSO was towed from Singapore to Kakinada port and then to the location / field. **Chandra Shipping & Trading Services has shown excellence in providing services at the right time as per the project requirements.**

The Service extended by CSTS - both in Season 1 and Season 2 - has been very efficient. The season threw up many challenges with the revision of regulations and the implementation of new requirements by Government departments and Operator. I must say that with CSTS assistance, all these were dealt with in a very efficient and timely manner to our great satisfaction. We have no hesitation in saying that the current team is better than the previous team.

CSTS has been providing guidance from the day of commencement till the completion of the project to accomplish our targets in very challenging time frame at various ports as required by us. It has offered very good & timely services for -

- Various Statutory clearances likes MOD, NSC, SPL, MoHA, EC, etc.
- Vessel & Port Agency & Logistics Services, men / material movement.
- Import – Export documentation, Customs Clearance, towing permission etc
- Transport & other Logistics Services etc.

Chandra Shipping & Trading Services's proficient team and exceptional working modules have been a great strength to us during the course of the project. It has extended cordial, healthy & trustworthy services on a professional front.

Its team has shown utmost dedication towards work and was available round the clock to proffer their assistance as when required. Prompt response by the team, unbeaten expertise of professionals and right attitude of the team while addressing concerns have marked CSTS to be the leading service provider in Oil & Gas Industry.

We are greatly pleased to have worked in association with Chandra Shipping & Trading Services and would appreciate them for all their active efforts. The overall turnaround time has been exceptionally good and hence contributing immensely to the project.

We would look forward to be associated with Chandra Shipping & Trading Services in our forthcoming ventures too and wish them good luck for their future endeavours.

Kind regards,

Walter Wassenaar
Project Director
