Chandra Shipping & Trading Services has delivered excellent services through a team of dedicated professionals having abilities to carry out job successfully round the clock & within the stipulated time frame who understands our criticality. We found great coordination among your team & processes which has enabled us to match up our all odd schedules and any kind of exigency that can be expected in the offshore industry.

We are glad that you have good relationships & understanding with the government entities and their requirements which help in providing seamless help in operations & coordination.

We would not hesitate to recommend Chandra Shipping & Trading Services to any of the service providers.

We again thank CHANDRA for such a great co-operation and wish you all the best for future.
